Dave Douglas Jazz Workshop: Three sessions in small ensemble playing and writing.

Deepen your compositional understanding and make new musical connections at these semi-private sessions in small ensemble playing and writing.

Three Sundays, Feb 24, Mar 17, Apr 21 from 3pm to 6pm the Dave Douglas Jazz Workshop will meet at **ShapeShifter Lab** in Brooklyn. Sign up will be through Dave's label, Greenleaf Music, at workshop@greenleafmusic.com. The sessions will be limited to a small handful of players. We will be reading through and playing the sextet music from the albums **In Our Lifetime**, **Stargazer**, and **Soul on Soul**. Once you have signed up and been accepted you will receive PDF versions of your part so you can look at it in advance.

The cost will be \$50 per session. All those who enroll for three sessions will get a free copy of the Dave Douglas Sextet book and possible invitation to perform in the **Workshop concert on May 30** on a bill with the Dave Douglas Quintet.

All instruments are welcome. Trumpet, tenor saxophone/clarinet, trombone, piano, bass, and drums are encouraged. The workshops are also available for auditors and those who would like to listen in.

Spread the word and contact us to join in.

Thank you.
